Dear Richard:

This letter is intended to let you know that I have been very satisfied with the work ECA has done for Arnall Golden Gregory LLP over the years.

As I have expressed to you before, I am always confident that ECA's work will be technically accurate, your response timely, and your prices very reasonable. ECA has performed many Phase I Assessments, Phase II Assessments, and peer reviews for us and our experience is consistent.

ECA has been an asset to Arnall Golden Gregory LLP and to our clients with whom you have worked. Thanks again. I look forward to working with ECA on future projects.

Sincerely,

John C. Spinrad
