Dear Emory:

I am writing this letter to thank you and ECA for the outstanding service you have provided Pruitt Corporation over the past several years. ECA has completed multiple environmental projects for our company, including Phase I and Phase II Assessments, Asbestos, Lead-Based Paint, and Radon Surveys, and Geotechnical Investigations. ECA has always delivered technically accurate reports within our schedule and budgetary constraints.

You have consistently produced detail-oriented, high quality reports, and are able to adapt to the requirements of our various lenders. We feel that we can depend on ECA to deliver accurate information even under extremely tight schedule demands.

It has been a pleasure working with you and ECA. We appreciate your attention to detail and professionalism. Thank you again, and we look forward to working with ECA in the months and years to come.

With kindest regards, I am

Sincerely,

R. Lawrence Williams
Vice President of Planning & Development
